## Your Submitted Press Release

**Naples, Florida, United States, 9th Mar 2026** — Abbie Joan Design & Remodel, a Naples-based design-build remodeling firm, announced the expansion of its residential remodeling services to include a greater focus on aging-in-place design solutions for homeowners throughout Southwest Florida.

The company reports increasing demand from homeowners seeking renovations that support long term mobility, accessibility, and safety within their homes. In response, Abbie Joan Design & Remodel has expanded its design planning and construction capabilities to address these needs during kitchen, bathroom, and [whole-home remodeling](#) projects.

“Our team is seeing more clients plan renovations with long-term living in mind,” said Abbie Sladick, President of Abbie Joan Design & Remodel. “Homeowners want remodeling projects that allow them to remain comfortable in their homes as their needs change over time.”

The expanded service approach incorporates accessibility focused design considerations into residential remodeling projects during the planning and construction process. These considerations may include adjustments to layouts, entryways, lighting, and cabinetry to improve usability and safety.

Abbie Joan Design & Remodel provides a full-service design-build process that includes architectural design, kitchen and bath design, construction documentation, permitting coordination, [custom cabinetry](#), and project management.

The company has more than 25 years of construction and remodeling experience serving homeowners in Naples and surrounding Southwest Florida communities.
