## Your Submitted Press Release

**Singapore, 28th Apr 2026** - Inkriv, the creator-first platform helping people turn raw ideas into clear, high-quality work, announced the appointment of its Advisory Board to support the next phase of its growth. Selected through the **Veblen Director Programme**, the five advisors bring expertise across governance, M&A, commercial strategy, project leadership, finance and risk oversight. Their appointment will support Inkriv as it continues building a product designed around confidence, clarity and momentum, helping people create work they are genuinely proud to publish.

*“Inkriv was built around a simple belief that better thinking leads to better writing, and that people need more than text generation to do their best work,”* said **Samuel Ogunkoya**, Founder of Inkriv. *“This Advisory Board brings valuable experience across strategy, governance, execution and growth, and I am delighted to welcome them as we continue building a product that supports creators with clarity and confidence.”*

### Appointed Advisory Board Members

**Naresh Ravula - Chair of the Board**, a strategic governance professional and M&A advisor focused on cross-border governance and the long-term resilience of mid-market enterprises. He brings expertise in board oversight, technology and AI governance, ESG integration, regulatory compliance and succession planning across international markets.

*“Inkriv is building in a space where technology, trust and human creativity must work together. I look forward to supporting the team as they build with discipline, resilience and long-term ambition,”* said **Naresh Ravula**, Chair of the Board at Inkriv.

**Sung Mun Jung - Board Advisor**, an investor, entrepreneur and Chartered Civil Engineer with experience across infrastructure, education, research and health. He brings a strong track record in leading complex projects, supporting teams and delivering high standards across technical and operational environments.

*“Inkriv has the opportunity to help more people turn ideas into work they are proud to share. I am pleased to support the business as it grows with purpose and strong execution,”* said **Sung Mun Jung**, Board Advisor at Inkriv.

**Adrian Smith - Board Advisor**, a business advisor to startups and SMEs since 2005 and author of *7 Ways to Double the Value of Your Business*. His experience spans market research, corporate finance, strategic partnerships, M&A, business sales and network-building across a wide range of international markets.

*“I am pleased to support Inkriv as it sharpens its commercial strategy and builds long-term value around a product with clear relevance for creators and knowledge-led businesses,”* said **Adrian Smith**, Board Advisor at Inkriv.

**Peter Stilli - Board Advisor**, a finance professional and business owner who brings a practical blend of financial understanding and entrepreneurial experience. His perspective supports disciplined decision-making and grounded commercial thinking as businesses grow.

*“Inkriv is building something thoughtful and distinctive. I look forward to supporting the company as it strengthens its offering and grows with confidence,”* said **Peter Stilli**, Board Advisor at Inkriv.

**Daniela Simao - Board Advisor**, Non-Executive Director and Audit Committee Member specialising in governance, risk and compliance. She works with boards and senior leaders to strengthen oversight, improve risk visibility and protect financial credibility and stakeholder trust in complex and high-growth environments.

*“Strong governance helps organisations grow with confidence and credibility. I am glad to support Inkriv as it builds a resilient business with clear decision-making and strong foundations,”* said **Daniela Simao**, Board Advisor at Inkriv.

The appointment of the Advisory Board marks an important step in Inkriv’s development as the company continues to strengthen its foundations, refine its product and support more people in transforming ideas into work worth publishing.

## **About Inkriv**

Inkriv sits at the intersection of thinking and writing, helping people turn raw ideas into clear, high-quality work they are genuinely proud to publish. It is deeply creator-first, and the product is built around confidence, clarity and momentum rather than simply generating text.
