Your Submitted Press Release

West Palm Beach, Florida, United States, 18th Mar 2026— Loodmy Jacques, founder and team leader of The Jacques Team at Keller Williams Reserve, has been honored with the prestigious 2026 ThreeBestRated Award, recognizing nearly two decades of excellence serving South Florida's residential real estate market.

The ThreeBestRated Award identifies top-rated businesses based on a rigorous 50-point inspection that evaluates reputation, history, complaints, ratings, satisfaction, trust, and excellence. Recipients must maintain consistently high standards across all evaluation criteria.

"We're honored by being nominated as three best rated agent for South Florida," Jacques said. "I think that gives everybody else to view that we are doing the right things and we're going to continue doing the right thing and our customers can trust us more because they've seen that we are getting the recognition that we deserve."

The Jacques Team has built its reputation on client-focused service, selling approximately 120 homes annually with over 300 five-star Google reviews. Jacques, originally from Port-au-Prince, Haiti, entered real estate at age 19 while attending college and has since become one of the top-producing agents in Palm Beach County.

"We provide excellent service to all our customers," Jacques explained. "I always tell my team, we want to provide the Ritz Carlton level of service to every single client. I want every client to feel that they're our only client, and we go above and beyond to make sure that happens."

Jacques's approach centers on education and guidance rather than transactional selling. He emphasizes helping clients make informed decisions that serve their long-term interests, particularly in Florida's evolving market conditions.

"This business is a bit intimidating for any buyer or seller that does not do this every day," Jacques noted. "My main role would be as a guide, as an educator, and making sure that I help buyers and sellers make the right decision because if they make the wrong decision, it could be a very costly one."

The Jacques Team has developed comprehensive systems to support clients throughout transaction processes, including buyer education seminars, weekly check-ins, and 20-step marketing plans that extend well beyond traditional MLS listings.

"Long or gone the days of just putting it on the MLS and then the house sells itself," Jacques said. "Now we have to go and we have a 20-step marketing plan to make sure that we are hitting every single point."

Jacques characterizes Florida's current market as more balanced than pandemic-era conditions, creating opportunities for both buyers and sellers working with experienced

professionals who understand market dynamics.

"I would say that this market is more of an honest market now because buyers are more cautious. They're not no longer chasing the market and sellers are watching days on the market like a hawk," he explained.

The team serves buyers and sellers across all price points throughout Palm Beach County and surrounding areas, specializing in residential properties, luxury homes, and property management services for domestic and international clients.

The Jacques Team continues expanding its service offerings and team capacity to meet growing demand in West Palm Beach's evolving market, where major corporate relocations and population growth continue driving real estate activity.
