Your Submitted Press Release

Delray Beach, FL, United States, 19th Nov 2025 - Luna PGA Timepieces, a leading curator and retailer of high horology and luxury timepieces, today announces a refreshed presence in Delray Beach, Florida, with enhanced services designed to better serve collectors, enthusiasts, and high-end clientele in South Florida and beyond.

With over a decade of experience in sourcing and delivering rare, limited-production, and one-of-a-kind watch models from the world's most respected maisons, Luna PGA Timepieces has developed deep relationships across the luxury watch industry. While the company is headquartered in Florida, its client base spans globally, reflecting a reputation for exclusivity, trust, and personalized service.

Expanding Local Presence in Delray Beach

Positioning itself closer to South Florida's vibrant luxury and horology community, Luna PGA Timepieces now offers enhanced local servicing and concierge-style support from its Delray Beach location. Customers and collectors will enjoy tailored attention, private consultations, in person viewings, and improved local logistics -- bridging the gap between the digital luxury watch market and the personalized touch of a boutique.

Comprehensive Services -- Beyond Sales

Beyond offering a curated inventory of prestige brands, Luna PGA extends a robust suite of services including:

- **Acquisition & sourcing** of rare, limited-edition, and "hard-to-find" timepieces
- **Trading, consignments, and part-exchange** options
- **Watch repair, overhaul, and polishing** through trusted service channels
- **Escrow and secure transaction services** to guarantee authenticity, condition, and customer confidence
- **Financing and extended warranty plans** tailored to luxury watch acquisitions

These offerings help Luna PGA position itself not just as a retailer, but as a full-scope horological partner for its clients.

Featured Brands & Inventory

Luna PGA's inventory spans the full spectrum of haute horlogerie and luxury watchmaking. Some of the featured maisons available through Luna PGA include:

- Audemars Piguet
- Patek Philippe
- Rolex

- Hublot
- And many more

Each timepiece is vetted, authenticated, and accompanied by rigorous quality assurance procedures and documentation.

Leadership & Vision

Since its incorporation (via Luna PGA Timepieces Plus LLC in 2025) Luna PGA has evolved from a specialty online platform into a full-service boutique operation. The leadership team, including Ira Kitzen, Emmanuel Horta Chalas, and Clifford Mass, aims to reinforce the brand's standing as a trusted, boutique destination for luxury watch collectors.

"Our vision has always been to bring the world's finest timepieces to discerning collectors--seamlessly, transparently, and with uncompromising service," said the Owner Ira . "By strengthening our presence in Delray Beach, we're offering our local clientele a new level of access, service, and trust."
