Your Submitted Press Release

NordFX has been recognized with the Best Fastest Payout Award at Forex Expo Dubai 2025, highlighting the company's ongoing efforts to ensure swift and dependable fund withdrawals for its clients.

The award was presented during the two-day event on October 6–7 at the Dubai World Trade Centre, where NordFX participated as a Diamond Sponsor. The Forex Expo Dubai is regarded as one of the leading gatherings for professionals in the financial and trading industries, attracting brokers, fintech providers, investors, and liquidity specialists from around the world.

Organizers of the Expo noted that the awards are designed to celebrate companies demonstrating outstanding performance and innovation across multiple areas of the financial services sector. NordFX recognition in the Fastest Payout category reflects the company's consistent focus on efficiency, automation, and customer trust.

The company has made significant progress in recent years in automating its payment systems to reduce transaction times. A notable improvement has been the implementation of automatic crypto withdrawals, which allow clients to access funds within minutes, even during weekends or outside traditional banking hours. These upgrades complement NordFX established systems, resulting in one of the industry's most efficient payout frameworks.

NordFX representatives stated that this recognition serves as validation of the company's broader commitment to transparent and client-oriented service. Fast, reliable payouts are a key element of trader confidence, enabling customers to move funds quickly between accounts and markets to respond to trading opportunities without delay.

The Best Fastest Payout Award reinforces NordFX reputation as a company that continues to invest in innovation and operational excellence, combining advanced technology with a focus on improving the overall trading experience for its clients.
