## Your Submitted Press Release

The **Best CEO Awards Gala** has announced a significant evolution in its participation standards, introducing a new **entry threshold of USD 10 million in verified personal net worth** for direct invitations to its annual leadership event at the **Four Seasons Hotel Madrid**.

The decision reflects broader global trends: over the past three years, both the number of millionaires and the average global wealth level have reached record highs. In response, the organization has chosen to align its guest criteria with the current reality of international private capital, reinforcing the Gala's position as a premier meeting point for the world's most accomplished leaders and investors.

Beginning with the **2026 edition**, the Gala will adopt a **single global format**, consolidating previous regional editions into one annual event in Madrid. The goal is to create a **unified international hub** for dialogue, networking, and collaboration among entrepreneurs, investors, and family offices from over thirty countries.

Participation will now follow two pathways:

1. **Direct Invitation:** extended to individuals with verified assets exceeding USD 10 million;
2. **Nomination Process:** open through the official website for executives and entrepreneurs seeking recognition under the Gala's internal merit-based review.

The Gala weekend features **Michelin-starred style dining**, curated **art and design experiences**, and **private leadership dialogues** exploring capital markets, governance, and innovation. Each edition adheres to a **strict Black-Tie dress code**, with the **annual theme — announced every January —** shaping the creative concept, panels, and cultural program.

Every honoree receives a **Golden Trophy** and **Golden Certificate**, tangible symbols of recognition within the Best CEO Awards' standards of excellence. Attendees are also presented with the **Golden Lapel Pin**, signifying membership in the Gala's international leadership community.

In addition to the flagship event, **the 2026 season will introduce two dedicated gala evenings:**

1. the **Best Entrepreneur Awards**, celebrating visionary founders and business creators whose innovation drives new markets;
2. the **Best Company Awards**, honoring organizations that exemplify excellence in governance, performance, and sustainability.

Together, these parallel events will extend the reach of the Best CEO Awards initiative, creating a broader ecosystem of recognition that highlights leadership across every

dimension of modern enterprise.

### **About Best Ceo Awards Gala**

The **Best CEO Awards Gala** is an international annual celebration recognizing outstanding leadership, innovation, and governance across industries.

The **2026 edition will be held in Madrid**, hosted at the **Four Seasons Hotel Madrid**, reinforcing the Spanish capital's status as a central meeting point for global business and investment leaders.
