# Your Submitted Press Release

**Fort Myers, FL, United States, 16th Feb 2026 —** Waterway Plumbing & Drains, a licensed plumber in Fort Myers, has expanded its 24/7 emergency plumbing services to cover eight cities across Southwest Florida, including Cape Coral, Bonita Springs, Lehigh Acres, Punta Gorda, Estero, Marco Island, and North Fort Myers.

The expansion addresses growing demand for reliable emergency plumbing in the Fort Myers metro area, where rapid population growth has increased wait times for licensed plumbing contractors. Waterway Plumbing now offers same-day response for burst pipes, slab leaks, sewage backups, and other plumbing emergencies throughout Lee and Charlotte counties.

"Southwest Florida homeowners deserve a plumber who answers the phone at 2 AM and shows up the same night," said the Waterway Plumbing team. "We've built our business on being the emergency plumber Fort Myers residents can count on—and now we're bringing that same commitment to every community we serve."

Services available across all eight service areas include:

- Emergency plumbing repair (24/7)
- Drain cleaning and hydro jetting
- Leak detection and slab leak detection
- Water heater repair and installation
- Tankless water heater conversion
- Whole house repiping
- Polybutylene pipe replacement
- Water filtration system installation
- Garbage disposal repair and installation

Waterway Plumbing specializes in addressing plumbing challenges unique to Southwest Florida, including polybutylene pipe failures common in homes built between 1978 and 1995, slab leaks caused by the region's limestone foundation conditions, and drain cleaning solutions for the high-humidity environment that accelerates pipe corrosion.

The company's drain cleaning services in Fort Myers utilize advanced hydro jetting technology that removes stubborn blockages without damaging existing pipes — a critical consideration for older Florida homes with aging plumbing infrastructure.

For homeowners concerned about hidden water damage, Waterway Plumbing offers non-invasive leak detection in Fort Myers using electronic listening devices and thermal imaging to locate leaks behind walls and beneath concrete slabs without unnecessary demolition.

All technicians are licensed, insured, and background-checked. Service is available 24 hours a day, 7 days a week, with no overtime charges for emergency calls.

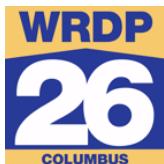

## About Waterway Plumbing & Drains

Waterway Plumbing & Drains is a licensed plumbing company serving Fort Myers and Southwest Florida. The company provides residential and commercial plumbing services including emergency repair, drain cleaning, leak detection, water heater services, repiping, and water filtration. Available 24/7 at (239) 471-5068 or online at <https://waterway-plumbing.com>.
